

## Public Statement

The Darfur Organization for Development and Human Resources (DOFDAHR) hereby issues an official statement regarding claims made by an individual named **Ahmed Awad Aljihayem**, a Kuwaiti national, holding passport number **P05217886**, issued on October 17, 2017, in Kuwait. This person has alleged that our organization authorized him to receive **3,000,000 USD** on our behalf.

We categorically state that we have no knowledge of the individual and refute any claims of association or authorization. The organization does not bear any responsibility for dealings conducted by this individual or any other unauthorized party.

We emphasize that all official communication and transactions with the Darfur Organization for Development and Human Resources (DOFDAHR) must be conducted exclusively through our official channels. This includes our official email address, [info@dofdahr.org](mailto:info@dofdahr.org), as listed on our official website, <https://dofdahr.org/>. The organization disclaims any responsibility for interactions or dealings conducted outside these official channels.

We urge the public to exercise caution and refrain from engaging with unauthorized individuals or entities claiming to represent our organization. Any dealings with **Ahmed Awad Aljihayem** or similar individuals will be solely at risk and legal responsibility of the parties involved.

For further inquiries or verified communication, please reach out to us directly through our official contact details.
